Merging unique expertise across consumer brands, finance, operations, cannabis advocacy, dispensary management, plant biology and ornamental horticulture.

Spencer Noecker

CEO

Spencer was the original cofounder and an investor in NBP Capital LLC – a privately held commercial real estate fund with over \$1B in assets with a focus on value-add, **opportunistic**, long-term investing. While Spencer remains invested in NBP Capital, in 2015 he resigned to step into the role of CEO at Groundworks Industries.
